Online

QUESTIONS? ASK YOUR TEACH
OR PARENT FOR HELP.

S

STAY SAFE

Don't give your address, phone number, school name or social media handle to strangers online.

M

DON'T MEET UP

Always check with an adult you trust (such as your parents) before meeting with anyone online.

A

ASK

Ask, is this someone I know really well (like an IRL friend)? If not, you should think twice about accepting their file or opening their emails or messages.

R

RELIABLE

Just because it's on the web doesn't mean it's true. Always verify any information you see or receive online.

T

TELL SOMEONE

If something is happening online that you don't like, tell an adult you trust.
